 Card Size: 2 3/4in x 6 3/4 in  
 Price:

Everyone has experienced the agony of purchasing a super glue product, using it once, only to find the cap has glued itself shut, or worse, the entire tube is as hard as a rock when you are ready to use it again. Basically, SureHold has “built a better mousetrap”. Like Plastic Surgery, it is also equipped the patented applicator. SureHold is intent on making our customers happy, that is why we offer our customers our special applicator on two products.
